

# CONSIDERING A CEDAR FENCE?

Arrow Fence Company, Inc. uses only the highest quality northern white and western red cedar in our fencing selections. It is the superior choice for fencing because of its organic beauty, practicality and versatility to compliment any decor. Our dedicated craftsmen can provide you with an array of standard styles, as well as custom designs of your choice.

## WHY USE OUR CEDAR FENCING?

- Premium quality cedar
- Naturally resistant to rot and insects
- Weathers gracefully to a silvery grey when left untreated
- May be stained, painted or sealed to keep natural creamy white or red color

All cedar is subject to the natural process of checking. Checking happens as wood releases moisture, and normally occurs across or through the annual growth rings. It is the usual result of wood seasoning. Checking occurs only on the surface of the wood, and does not affect the structural performance or the integrity of the wood.
